An AADA supported employer health plan for Arizona Auto Dealers seeking long term solutions and cost control of employee health care programs.

Features of the plan include, plan design flexibility, ease of administration and lower fixed costs.

The AADA Dealer employer health plan, eliminates significant rate increase every year and improves cash flow.

Dealers having an interest in hearing how their employee health care plans can be improved while lowering their cost, should contact Paul Wisowaty at AADA, (602) 468-0888 x116 to schedule a very informative meeting.
